McGriff v. Superintendent Doc Reardon  
21-CV-703 (AMD)

Dear Judge Donnelly,

I am preparing to file the State's response to the petition for a writ of habeas corpus in the above-referenced case. In addition to the trial transcripts and Appellate Division briefs, I intended to file several videotapes and a photograph that were admitted in evidence at trial. The ECF filing system will not accept the video exhibits. They have been scanned at my office, and I believe that they could be emailed to the court. I am respectfully requesting permission to email them as Exhibits B, C, D, and E, as they are designated in my response. In the alternative, I ask to be advised on the proper manner to provide those exhibits to the Court. Thank you very much.

Very truly yours,

*Diane R. Eisner*
